International Cannabis Policy Conference 2018

UN Sustainable Development Goals | Special Event | #CannabiSDG
December 7-9, 2018 | Vienna, Austria. Presented by **FAAAT & ICACO**

Renting an exhibition space provides your company with an **unprecedented opportunity to be visible** at the heart of the United Nations quarters. Do not miss the opportunity to have a unique presence in this space where diplomats, policymakers, and NGOs will meet with **key players** who innovate, create, grow, and achieve every day new levels of success.

To **stay sustainable, compliant, and steps ahead of your competitors**, and keep updated on the best standards and practices of the field, getting embedded in the world's **most active and influential cannabis markets, media, investment and policy leaders** becomes imperative.

For years, the team of FAAAT think & do tank has served as a global platform for the debate and elaboration of innovative proposals to upgrade Cannabis policies and practices. Our work at the WHO level has been a landmark, resulting in the only Cannabis critical review, scientific assessment since the 1935 prohibitive measures went into effect. Now we address another side of international policies, that will have a much more direct impact locally.

Things are changing rapidly (may it be in Austria, USA, Netherlands, Switzerland, Germany, UK or Colombia...) and the future is being built now. In parallel, a brand new international context (UNGASS2016, WHO Cannabis scientific review, Sustainable Development Goals, CND2019) eases the reform of Cannabis policies.

Thank you for being there to show up your support!

ABOUT THE VENUE

Biggest conference center of Central Europe, the Austria Center Vienna (ACV) where the Exposition of the International Cannabis Policy Conference will be located, is distinctive in Europe, surrounded by contemporary architecture, and ideally located 7 minutes from the city centre and a few minutes' walk from the Danube river and its astonishing parks.

At the International Cannabis Policy Conference 2018 we create a unique atmosphere, making sure that you feel at home so that you are free to network and broaden your horizons in an unrivaled range of real and virtual spaces.

WLAN performance at the ACV unmatched anywhere in the world. The **outstanding WiFi infrastructure** made the Center win the INCON Global Digital Infrastructure Award 2016. This is made possible thanks to a 93 HD access points and up to 20 GB/s bandwidth, complemented by 1,500 permanently cabled LAN connections dotted throughout the building allowing up to 35,000 simultaneous connections.

LOCATION AND EVENT VENUE

Austria's largest conference centre in the international heart of contemporary Vienna. Thanks to its location right next door to the Vienna International Centre – one of the four international United Nations headquarters – **it is the only conference centre worldwide that is directly linked to United Nations facilities.**

GREEN SUSTAINABLE BUILDING

Awarded as Green Conference Center the Austria Center Vienna is committed to reducing the environmental impact of our activities and minimising the ecological footprint of all of the events held at the Austria Center Vienna hospitality suites for sponsors and exhibitors in addition to the exhibition space.

A perfect place to inspire the attendees and open their eyes to new products and ways of thinking.
